Subject: Willamette needs to be cleaned and working waterfront needs support

Portland's blue-collar harbor jobs will suffer if the cleanup plan is too expensive.

If this EPA plans goes forward with a big price tag, our small companies that work on the river will never be able to afford the bills you will send them. We're asking that you please consider what the impacts on the environment but also on employers and taxpayers.

Our harbor is a big part of our economy. Please pick a plan that is good for our workers.

Sincerely,
